SUBMISSION FORM

The deadline for submissions is **2400 hrs UTC on November 3rd 2024**

This submission form shall be used as the format for your submission, saved as a PDF and sent by email to: info@iqfoilclass.org

Please read the following notes carefully before completing the Submission Form.

- In accordance with the Class Constitution Article # 6.11 a submission shall be sent by e-mail to the Class Executive Secretary (info@iqfoilclass.org) by a National Class Association being a Full Member.
- To make your submission as clear as possible, the original exact wording received on submission forms shall be retained in the final formatted submissions. However, if wording is unclear the Class will consult the originator for clarification.
- Please click in the highlighted boxes in the Form below to insert the purpose or objective, the proposal, the current position and the reasons.
- If the submission proposes new policy, please insert the wording in full in the “Proposal” section and also complete the “Current Position” and “Reason” section.
- If the submission proposes a change to existing Articles, Regulations, the Racing Rules, or other Class or World Sailing Codes and Rules, please insert the current version in the “Proposal” section highlighting new wording as **bold and underlined**, and text to be deleted as ~~double struck through~~. The words “as above” should then be inserted in the “Current Position”. Clearly defined reasons should be inserted in the “Reason” section.
- The font and size for text in submissions is Arial 11pt
- The font Times New Roman 12pt should only be used when inserting current wording or new wording proposals to amend the Racing Rules of Sailing.

Title

EQUIPMENT – CLASS RULES CHANGE – Class rule c.8.1 Fin bolts

Subtitle

Using different fin bolts

A submission from

GBR

Purpose or Objective

To bring inline class rule with what is common practice in the Class

Proposal

c.8

(b) The Foil system fittings (bolts and washers) may be replaced by any fittings of the same size with the following exceptions

i) The angle spacer screws may be replaced by other screws of different lengths.

ii) The Foil Box Screws and Washers may be replaced by fittings larger than the ones supplied

Current Position

c.8

(b) The Foil system fittings (bolts and washers) may be replaced by any fittings of the same size with the following exceptions

i) The angle spacer screws may be replaced by other screws of different lengths.

Reason

This is currently common practice as larger washers protect the fin box and with shims in the box longer screws are needed to get a safe fit but our closed class rules do not allow it.
