Title:

Equipment for 2024 Olympic Games

Subtitle:

Equipment limitation for 2024 Olympic Games

A submission from:

FRA

Purpose or Objective

- Ensure that athletes can select equipment that is meeting both quality and performance needed to compete fairly at the Olympic Games.
- Providing choices to select « competitive » equipment and « replacement » equipment for the event, being sure that those equipment is reliable

Proposal

Equipment provided to each Olympic game participant should be :

1 board, 1 boom, 4 foils, 4 masts, 4 sails,

so called “**supplied multipack**”

Current Position

There are no current position

Reason

Production of equipment is done through tolerances that bring potential differences of sensations while riding it, as well as potential difference of performance.
Providing this amount of equipment ensures that athletes can select the equipment that is reliable, perform as it should be to race in fairness conditions.
