Title:

Number of Discards

Subtitle:**A submission from:**

Aaron McIntosh

Purpose or Objective

To reduce the number of discards in a regatta.

Proposal**Discards**

1. Where 4 races have been sailed a board shall discard her worst score.
2. Where 12 races have been sailed, a board shall discard her worst two scores. Where applicable, one discard will be taken from qualifying, and one will be taken for final series.
3. Where 18 races have been sailed, a board shall discard her worst three scores. Where applicable, at least one discard shall be taken from qualifying series.

Current Position

The current Race Management Policies do not have a clause on discards.

Reason

Race management and efficiency has always hindered in our Class because of BFD's especially in slalom racing where the start is so critical. The risk of pushing the line and scoring a BFD is ok because we we have multiple discards throughout the event. To negate this problem this submission is set to reduce the number of discards to encourage sailors to take more care.
