Title:

Abandoning racing

Subtitle:

Scenario 1

A submission from:

Polish Windsurfing Association

Purpose or Objective

Proposal

To amend the iQFOiL CLASS RACING POLICIES for Major Championships 9.2 to read:

When all the fleet is not foiling for more than 0 seconds the race should be abandoned.
“Current Position”

To amend the Race Management Guideline accordingly

Current Position

When all the fleet is not foiling for more than 20 seconds the race should be abandoned.
“Reason”

Reason

In the very extreme situation of every sailor dropping of the foil we believe it is mandatory to abandon the race. IQFoil is a foiling class and if nobody foils its clearly not fair racing

In proper racing conditions the fleet is able to sail up to 20 races during regattas. The idea is to focus on quality not quantity of the races. If the fleet is not able to foil in the race clearly means its not enough wind for racing for IQ foil Class.
