Title:

Maximum number of races during a competition

Subtitle:

Clarification of numbers of races per day

A submission from:

FEVOILE

Purpose or Objective

Getting quality racing along the competition.

Proposal

Change races policies as follow:

- 1.2. The maximum total number of races sailed per day for each fleet/group/heat shall be ~~6 (six)~~ **4 (four)**.
- 1.5. If behind schedule, and in order to complete qualification and final series to move into medal series, the maximum number of course races per day can be increased to ~~6~~ **5 (five)** or marathon plus 4 **2 (two)** races.

Current Position

As above

Reason

This proposal takes into account the physical and mental demand of a day of racing. We currently spend a lot of time on the water even for slalom courses. 2h to 3h on the water to do the racing should be a target.
