Title:**Limiting the number of competitors****Subtitle:****adjusting Group and Heat sizes****A submission from:****Polish Windsurfing Association****Purpose or Objective**

In order to facilitate fair racing at a high level we need to ensure as much racing as possible is conducted in adequate conditions for all fleets/groups.

Proposal**iQFOiL CLASS RACING POLICIES for Major Championships**

2.2. The maximum number of entries in Major Championships is: 100 men and 100 women

The number of groups depends on the number of entries as follows:

Entries	Groups
< 60	1
60-80	1 or 2
80-100	2

3.2. The fleet/group will be divided into equal heats of up to a maximum 25 (twenty five) competitors (up to 20 ideal).

Current Position

There are no limits in the number of competitors.
Heats are divided in a maximum of 24 competitors.

Reason

Limiting the number of competitors will allow the Race Committee to conduct racing in a fair way without disadvantaging any of the groups.

100 competitors per fleets still allows the best competitors to take place in the events.

25 competitors per fleets allows racing to be conducted in a maximum of 4 heats for men and 4 heats for women, saving time without sacrificing quality.
