Title:

Subtitle:

OG Allocation of equipment

A submission from:

CHN

Purpose or Objective

Same as Submission 02-23

Proposal

One delivery date to meet Paris 2024 requirements:

Delivery - in May 2024 - Week 20 or 21

1 boom, 4 foils, 4 masts . 1 board, 3 sails with the Olympic Games design.

Being discussed: 1 Optional Training Sail if accepted by Paris 2024 Organising Committee

Being delivered in Marseille Olympic Venue

Current Position

There is no case law on this in iQFOIL

Reason

Distributing iQFOIL equipment to selected sailors two months before the official Olympic Games windsurfing events provides them with sufficient time for training, adjustment, and optimization.

It

allows sailors to become fully acquainted with the equipment, adapt their tactics, and mentally prepare themselves for the challenges of the Olympic Games, ultimately enhancing their performance and ensuring a fair and competitive event.

Delivery in May2024-Week 20 or 21 will make everything simple and easy, especially this will help the IQFOIL class to handle the distribution work more leisurely too.
