Title:

Implementation of Approved Submissions passed at 2021 AGM

Subtitle:

A submission from:

NZL

Purpose or Objective

The purpose is to carry out correct governance procedures according to the decisions made by the General Assembly at the 2021 AGM.

Proposal

The proposal is to compel the Executive Committee to implement the submissions passed at 2021 AGM immediately, and in particular to have the updated Race Management Policies (as amended by 2021 AGM) published and observed at the 2022 World Championships.

For ease of reference the submissions approved from the 2021 AGM in relation to these matters were:

16-21, 15-21, 09-21, 17-21, 18-21, 05-21

Current Position

The submissions were approved but not implemented.

Reason

Decisions made by the General Assembly must be followed. Whether or not this submission is approved, the decisions made by the General Assembly in 2021 must still be implemented. The reason for making this specific submission anyway is to send a signal to the Executive Committee that it has failed its mandate by having ignored the will of the membership, and is therefore in breach of the constitution.
